

Global Value Portfolio

Portfolio Objective and Strategy

The Portfolio seeks long-term capital growth by investing in a global portfolio of equity securities that are determined by the Investment Manager to be undervalued. The Investment Manager combines a fundamental value approach with a disciplined investment process to evaluate a company's intrinsic value.

Past performance is no guarantee of future results. Total returns, provided by AB, include the change in Net Asset Value and reinvestment of any distributions paid on Portfolio shares for the period shown, but do not reflect sales charges. Fund returns are annualized for periods longer than one year. Performance quoted in currencies other than the base currency of the Portfolio is calculated by converting the daily Net Asset Value of the Portfolio using a spot foreign exchange rate of the other offered currency on each valuation point. The information on this page is for informational purposes only and should not be construed as an offer to sell, or solicitation of an offer to buy, or a recommendation for the securities of the Portfolio. Returns denominated in a currency other than that of the fund may increase or decrease as a result of foreign exchange currency fluctuations.

Investment in the Fund entails certain risks. Investment returns and principal value of the Fund will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. The Fund is meant as a vehicle for diversification and does not represent a complete investment program. Some of the principal risks of investing in the Fund include country risk, emerging markets risk, currency risk, illiquid assets risk, portfolio turnover risk, management risk, industry/sector risk, derivatives risk, borrowing risk, taxation risk and equity securities risk. These and other risks are described in the Fund's prospectus. Prospective investors should read the prospectus carefully and discuss risk and the fund's fees and charges with their financial adviser to determine if the investment is appropriate for them.

This information is directed solely at persons in jurisdictions where the funds and relevant share class are registered or who may otherwise lawfully receive it. Before investing, investors should review the fund's full prospectus, together with the fund's Key Investor Information Document (KIID) and the most recent financial statements. Copies of these documents, including the latest annual report and, if issued thereafter, the latest semi-annual report, may be obtained free of charge from AllianceBernstein (Luxembourg) S.à r.l., by visiting www.abglobal.com or in printed form by contacting the local distributor in the jurisdictions in which the funds are authorized for distribution.

A portfolio of ACMBernstein, a mutual investment fund (fonds commun de placement) organized under the laws of Luxembourg.

The representative and paying agent of the Fund in Switzerland is BNP Paribas Securities Services, Paris, succursale de Zurich, Selnaustrasse 16, 8002 Zurich, Switzerland. The Prospectus, KIID, Articles of Incorporation (SICAVs) / Management Regulations (FCPs) and the annual and semi-annual reports of the Fund may be requested without cost at the office of the Swiss Representative.
